- Critical Thinking

Excellent

I am a second year student pursuing computer science and and engineering (Data Science)at Shri Ramdeobaba College of engineering and management, Nagpur
my major interest is to play with data like I love to extract information from a set of data through data science techniques , i also love to contribute to open source and wherever there is a opportunity I like to grab it no matter what the result is.

Work History

2022-01 -

Data Science Intern

2022-03

Acmegrade, work from home

- Used SAS, SPSS and Python to manage and analyze large data sets.
